66	- as of Dec 2023 I do not expect to make any more substantial progress on this, unless some unexpected info turns up.																																																																																																								
67	Info on Hales http://www.halefamily.net/county2.html															scan of original or other corroboration															I believe there were two couples called William & Sophia Knight having children in Ruardean for overlapping periods. They are William Knight and Sophia Meek, married 19th Sep 1779 Ruardean; and William Knight and Sophia Walding married 6th May 1793 in Walford. Sophiah Meek was baptised 3rd October 1762 and Sophia Walding on the 6th May 1770. see https://forum.forest-of-dean.net/index.php?id=53604 for more details. This of course means more work to try to sort out this branch of my Father's tree - indeed untangling everything marked in yellow may be impossible.
